Featuring the personal endorsement of renowned entrepreneur and multi-billionaire Donald J. Trump

**Ask yourself this:**

If there was a way you could get paid on other people's monthly bills, month after month, year after year, and be at the forefront of new technology would you consider it?

The simple fact is that the money is there and someone will get it. That someone could be you...and ACN is the vehicle to get you there.

**A Look at the ACN Opportunity**

U.S. Version

"ACN has brought us more things than we could possibly ever imagine. If you want to change your financial situation and be a part of something big, this is the right place to be."

**Mike & Lauryn Bisutti**  
California

"ACN was the catalyst that helped us achieve financially everything we have right now. You have to have a vehicle to accomplish great things...ACN was the vehicle for us. We couldn't have dreamed of what we have as a result of ACN."

**Debbie and Geoff Davis**  
Michigan

"ACN has given me total freedom to make my own choices. I can work when I want, with who I want and wherever I want. That's what ACN means to me. I am building a business, yes, but I am really building a family."

**Simon Abboud**  
Montreal, Canada

"With ACN, I had permission to be successful. I didn't have to wait my turn, or climb the ladder, or wait for the guy above me. I could just go out and take it...so I did. And now we have a great lifestyle. That kind of freedom is unbelievable."

**Spencer and Leanna Hunn**  
Utah

"My parents gave up everything in Korean to bring us to America. One of my biggest reasons for doing ACN was my parents. After two and a half years in ACN, I was able to retire them and they haven't worked a day since. All the effort I put into ACN to be able to do that...it was all worth it."

**Danny and Yun Jung Bae**  
Nevada

"ACN has given us financial security. It's given us freedoms of time to spend with our children, and we have a lifestyle that few people even dare to dream about."

**Art and Jennifer Napolitano**  
New Hampshire

"We've been in this industry since 1975, so we had quite a bit of experience to evaluate and opportunity like this. And ACN is a homerun!"

**George and Eloise Zalucki**  
Tennessee
